The **SACHHI Designs & Couture** clothing line by designer Denise Sparks will be featured during our fashion show segment. SACHHI provides "one of a kind" Design and Couture creations that are personally custom fitted to an individual's body type and

measurements.

The name and abbreviation SACHHI (Designs & Couture) derives from the entity (**S**park **A/C**–**H**eat & **H**ome **I**mprovements) that provided the financial start-up growth for the fashion design

label and Derby City Fashion Week. For more information about SACHHI Designs and Couture, please [click here](#).
